Virginia Veterinary Disclosure

The commonwealth of Virginia requires the disclosure of veterinary hospital staffing hours upon the admission of a pet for medical therapy. The Charlottesville Cat Care Clinic is staffed from 8 am until 5:30 pm Mondays through Fridays. We are staffed Saturdays 9am until 1 pm. Dr Mahanes and her staff will provide intensive care or monitoring as necessary until a patient is stable regardless of day or time. If your cat is not stable, then transfer plans will be discussed by the on-call veterinarian and owner. Otherwise, there is no continuous care between the hours of 5:30pm and 8am on Mondays through Fridays and 1pm Saturdays thru 8am Mondays. All cats will be cared for (fed, watered, medicated, etc.) twice daily or more often as needed.
